customerservice@ampmappliances.com

Dear Prospective Customer:

We are now offering a choice of billing plans. Please read carefully through each plan to determine which one fits your needs best.

Then mark the line with the plan you prefer, fill and sign the form and mail or fax at back to us. Following plans represent repairs on regular prized/technology appliances. More complicated appliance brands such as: Sub Zero, Thermadore, Viking, etc., or non-American brands such as: Asko, Bosch, Gaganau, etc., will be priced differently. Estimate for such jobs will be given before any repairs.

Billing will start thirty days after we perform the first repair.

___ **\$ 60.00 flat labor charge per appliance plus parts.** If we inspect the appliance and no work is done, there will be a \$25.00 service call fee per appliance. If the work is done, there will be a \$60.00 flat labor rate per appliance plus parts, but no service call fee will be charged.

___ **\$50.00 labor charge per hour plus parts.** If no work is done, a \$19.95 service call fee will be charged per appliance.

Compressor (motor replacement) and plumbing jobs are priced differently.

For jobs related to Freon, stackable washers and dryers, and build-in ovens, we will charge \$65.00 per hour. A quote will be given before any work is done.

Please, pay your bills on time in order to avoid any late fees.

A late fee charge of 15% will be added to your balance, if we do not receive payment on or before the due date. The total amount may be charged on credit card provided below after 30 days of non-payment.

Name: _____

Billing Address: _____

Contact Person: _____ Phone#: _____

Credit Card number and expiration date (for security purposes only)

C/C#: _____ Exp. _____

Signature and Date: _____

**Sincerely,
Sid Leznik
